## Technical Skills

- Technologies
- C#
  - .NET (Core / Framework)
  - ASP.NET
  - SQL / MS SQL Server
- Cloud Systems
- Microsoft Azure
  - AWS
- Quality Assurance & Automation
- Manual Testing

## Professional Summary

Software developer with 4+ years of experience in Core Banking Systems and financial software development. Experienced in C#, .NET, SQL, Azure, and AWS environments. Skilled in both software development and quality assurance across banking and startup projects. Additionally, I have 2 years of experience in teaching and mentoring C# programming. I aim to grow professionally and deepen my expertise in building high-quality, stable, and scalable systems.

## Work Experience
